BORRIGIANO 2020

IGT TOSCANA

Borrighiano is a versatile wine that can be drunk all year round, ideal to accompany a whole meal in every occasion, which perfectly combines the elegance of the Sangiovese with the structure and spicy notes of the Cabernet Sauvignon.

The 2020 vintage began with a dry and warm winter, with high temperatures that continued all over spring until May, when they were broken up by a series of heavy downpours that lasted until June and then gave way to a really hot summer. Despite a series of storms at the beginning of September, thanks to an early harvest the quality of the grapes was excellent.
